## What makes WWD Platform Capital Group. one of the best service Providers in the Industry

WWD Platform Capital Group. (WWDCG) is an independent private consulting advisory who assists companies banks worldwide with Investments into secure investment programs and raising debt finance. While we can access many traditional forms of finance, we specialize in alternative finance and complex funding solutions related to international trade. We help companies to raise finance in ways that is sometimes out of reach for mainstream lenders.

## Our Values

### Every Client Profitable

We understand why you want to invest. Whilst we can't control the markets, we'll do whatever we can to make sure you profit from your Global Investing.

### Every Client a Partner

We want to be your partner in global investing. Simply being an adviser is not good enough for us. We want you to become an advocate of global investing and WWD Platform Capital Group.

### Always teaching ourselves

Successful investing can't be learnt from a single lesson, as it's a continually evolving science. We're always discovering new opportunities and whatever we learn we'll share with you.

## Deep industry relationship

For over a decade, we have been one of the most active participants in the secondary market. We have developed an extensive network of limited partners, advisors and general partners who value the credibility, thoughtful attention and pro-active engagement we bring to each opportunity. We believe our reputation grants us a preferred status among sophisticated investors seeking liquidity alternatives.

## Investment Flexibility

Our flexible and innovative structures accommodate the needs of both sellers and general partners. In an increasingly dynamic secondary market, we believe we are well-positioned to efficiently evaluate, execute and monitor transactions. Investors rely on us to bring the diverse skill sets, experience and sophistication required for today's investment environment. We consider the purchase of traditional limited partnership stakes, as well as structured transactions and direct investments. Our process enables us to respond quickly and with certainty to sellers of all sizes.

## Long term collaboration

Our long-term, relationship-based philosophy is at the core of our continued stability and success. Many of our opportunities are sourced from existing relationships forged over multiple transactions and investments. Our transaction partners benefit from the seamless and informed transaction process that we have established and refined over 45 years of operations.

## Structure Financing

We pride ourselves in both understanding trade finance products and having an in-depth knowledge of many markets and sectors. This helps us to work with you to deliver the financing solutions you require.

We understand that quick solutions are needed within your business. This should not impact or compromise the ultimate financing solution which you choose. We work with both your company and our partner funders to assist in structuring a facility that works for your business.

## Why choose us?

- \* We are flexible to work with
- \* We are responsive
- \* We are transparent

## OBJECTIVE, UNBIASED FINANCIAL GUIDANCE AND PLANNING

Clients come to us seeking objective, unbiased financial advice from experienced, trusted advisors with over 55 years of combined experience in the financial services industry. They

stay with us because of our commitment to exemplary service and our Sleep-Well-At-Night-Investor approach to wealth management. You will never hear a sales pitch for a particular financial product. As a fiduciary, we must always provide our services consistent with what is in your best interest.

## Our Philosophy

Our ‘can-do’ attitude is embedded in each and every one of us; it runs in our very veins. We never shy away from a challenge. In fact, we tailor our approach to fit any business, and we’ve perfected our skills to adapt to anything that happens in the fast paced world of commerce and services.

Three words sum up the core of our business; **Experience, Excellence, and Expertise!**

These three E’s are what we apply to every one of our business practices, ensuring we bring you the most cutting edge service possible. After all, why would you want anything less?

## Experience

With our help behind you, you’ll never be in the dark on your business ventures. We’re experts at proactively managing your business issues and can give you in-depth analysis about how your upcoming opportunities are likely to affect your business.

## Excellence

You’ll always know exactly where you stand. All of our team members are fully trained and their knowledge refreshed to understand all forms of tax legislation, both old and new.

## Expertise

Our expertly tuned business insight will ensure you always make the best decision for your company, offering you a unique perspective to allow you to cover all the angles.

## Our reliable approach

### Data Security and Peace of Mind:

We utilize cloud based technology to ensure your information is safe and secure. No information is shared with third parties. Unlike reactive approach, we believe in utilizing a proactive approach to ensure efficiency and complete peace of mind in managing your business.

### Business Advisor:

We’re more than just a private financial advisory. We understand that nothing can ever be perfect, and we are always striving to find a more innovative and simpler way to tackle existing problems.

### Best Value:

A technology culture within our workers allows us to develop some of the most ingenious and well-respected solutions to all of our clients, and deliver our services flawlessly. We hate hidden surprises and are always transparent when it comes to discussing pricing structures.

## Tech savvy and adaptable:

We love technology and we strive to provide the most advanced services to our clients. In today's world, you need the best help you can get, and we know you'll not settle for less. Thus, we only hire the most highly trained experts and only work with state-of-the-art software and tools. We take pride in our work, and we love what we do.

#### *Lending*

We offer quick-closing loans to borrowers, usually for the purchase of, or renovation of, investment properties. We fund loans for properties and projects that government-backed organizations would never be able to lend on. Our loan products offer solutions to real estate investors and companies who banks can't help. Our success is based on strong relationships within the broker and borrower community. Our strategic investor relationships allow flexibility to meet borrower demands. We have a transparent process in which brokers and borrowers are continuously informed as to where their loan stands and what needs to occur to reach a closing. We are have improved the effectiveness of our loan products to better serve brokers and borrowers. The most important part of any loan is the closing of it. We close loans quickly.

#### *Nationwide Bridge loans*

We offer quick-closing loans to borrowers, usually for the purchase of, or renovation of, investment properties. We fund loans for properties and projects that government-backed organizations would never be able to lend on.

#### *Nationwide Private money loans*

Private money lenders often provide loans secured by property . Technically, private money lenders can be a friend or family member which is why private money lenders are sometimes called relationship lenders.

#### *Selected Land loan Lending*

We provide hard money loans for land and vacant property in worldwide contrie . Our land loans are ideal for property ranging from a few hundred square feet up to large acreage purchases.

#### *Private Wealth Management*

" We help our clients pursue their wealth management goals through careful advice, smart investment management and access to the capabilities and network of Worldwide banking financial Capital platform group.

#### *Investment Management*

An integrated approach to your investments. Based on an understanding of your long-term vision and feelings about risk, your advisor can work with your investment team to help build an appropriate investment strategy.

#### *Financial Planning*

A planning approach focused on you. We will will work closely with you to better understand you and your family's needs, then help you create a plan designed to help you meet those needs and accomplish your long- term goals.

#### *Generational Strategies*

Legacy building and estate planning. We will work with you to protect your family's long-term needs for the next generation and beyond, coordinating your strategies around your estate, charitable giving, and the establishment of a long-term family legacy.

#### *We invest in you*

Our personalized portfolio management takes your legacy holdings and cost basis into account, with an emphasis on institutional-style diversification and risk management.

#### *Portfolio Customization*

We take all your investments and assets into account when building your portfolio and come up with a game plan in helping you with stock options, private company stocks and highly appreciated securities.

#### *Tax Efficiency*

We minimize your tax liability by using municipal bonds, and tax-managed individual stocks. Your income generating assets are put in tax deferred accounts and capital gain generating assets are put in taxable accounts.

#### *Suite Of Private Banking Services*

You get a broad, life-simplifying suite of products and services exclusively for Private Clients through our partnership with various different banks.

#### *Financial Confidence*

We help build financial confidence through insightful advice, thoughtful education and cutting edge technology across a suite of workplace and retirement solutions.

#### *Investment Programs*

##### *Grow your Capital with the weekly income strategy*

Real Private Placement Programs (also known as Secured Asset Management Programs) provide effortless income for self-certified sophisticated investors, high net worth individuals and companies by way of fully managed and secure investment programs.

## **Private Placement Programs (PPP) Explained**

*Private Placement Programs must not be confused with Public Private Partnerships.*

*They are very Different. Unfortunately they both use the acronym - "PPP "*

#### *Pre-arranged Trade*

#### *Zero Risk*

*The prime banks involved in the trades include HSBC, Barclays, RBS, Deutsche Bank, Credit Suisse, BNP Paribas, UBS, Standard Chartered, Bank of China and DBS Singapore.*

#### *We are transparent*

#### *Leverage*

The high level of profit from PPPs is possible due to the use of leverage. Leverage enables multiplication of trading volume – resulting in a magnification of profits.

Types of assets used for leverage include: Cash, Bank Guarantees (BGs), Stand- By Letter of Credit (SBLC), Medium Term Notes (MTNs), Bonds (cash and gold backed), Cash Deposits (CDs), Safe Keeping Receipts (SKRs), Blocked Funds, Bankers Drafts and Sovereign Guarantees.

#### *PPP Contracts*
